TaffyDevs
WEB DESIGNER / DEVELOPER

Premium Package

E-commerce Store

A personal or professional showcase highlighting your work, skills, and achievements. Ideal for freelancers, artists, photographers, or developers.

Online Booking Website

Ideal for travel agents, tour companies, salons, or doctors. Features include a booking calendar, time slots, automated confirmations, and user accounts.

taffydevs11.github.io/taffydevs/

Membership / Course Platform

Enables gated content like online courses, premium articles, videos, or member-only forums. Integrates with email, subscriptions, and payment gateways.

Web App or Custom CMS

Tailor-made, interactive systems like dashboards, mini-CRMs, or login-protected platforms for custom workflows. Built with dynamic content and custom admin interfaces.
